FRANCISCAN FRIARS, T.O.R.
Our Mission

As friars of the Third Order Regular of Saint Francis and members of the Province of the Most Sacred Heart of Jesus we vow ourselves to the challenge of living poverty, chastity and obedience in the presence of the Church. In this way, we further the work of Francis of Assisi who unreservedly followed the crucified and risen Christ and the Gospel of preaching repentance and conversion for the salvation of all.

As Franciscans in service to the Church, we listen to God’s Word following Jesus Christ with the assurance of the Holy Spirit; we listen to God’s teaching in the Church; and we listen to God’s holy people as they speak to us.

As followers of Saint Francis of Assisi, we respond to God and our founder by living simply, unencumbered by possessions or attitudes, by dedicating ourselves to the fraternity, by responding to the mission of the Church, and by seeking to bring God and the message of conversion to all we meet.

As friars we commit ourselves, personally and corporately, to a life transformed by prayer and contemplation, to an on-going conversion of heart, mind and soul, and to a revelation of the Lord by our words and works, enabling the bruised and broken to hear and receive the message of reconciliation and healing embodied in Christ.

To all we serve we commit ourselves to bring the grace and peace of God: the Father, and the Son, and the Holy Spirit.

The funds we receive are put toward the furtherance of our Franciscan missions and ministries, as we work to spread the Word of God; feed, clothe and shelter the poor; provide the Liturgy and Sacraments; give our children an education grounded in Catholic faith and morality, and pray for all of God’s people.
